1. PROBLEM STATEMENT

In 2015 the Redlands Police Department investigated 490 injury traffic collisions having a slight increase of 1.9% over the year 2014 at 481. Forty three of those injury collisions were alcohol related giving an increase of 34% over the 32 in 2014. We had one fatal motorcycle traffic collision that was alcohol involved charting a 100% increase over 2014 where we had no fatalities. This fatal collision is categorized in our nighttime traffic collision data due to the time of the crash. Data showed a 100% decrease of motorcycle injury victims from 4 in 2014 to 0 in 2015 which we attribute to our continuing traffic safety enforcement.

We did not have any Hit and Run fatalities but data revealed a 66% increase of Hit and Run injury victims at 35 in 2015 over the 21 the previous year. Our nighttime (2100 -0259 hours) injury traffic collisions increased 45% from 59 in 2014 to 86 in 2015.

Last year we had one pedestrian killed with no pedestrians killed in 2014. Pedestrian injuries increased from 29 in 2014 to 138 in 2015. Bicyclist injuries slightly increased from 20 in 2014 to 22 in 2015.

The city of Redlands downtown and west end commercial districts are currently expanding with new businesses, restaurants and alcohol serving establishments. The Mountain Grove shopping plaza business district is again expanding this year with new shopping opportunities, a movie theatre and restaurants to include surrounding establishments that serve alcohol. This is increasing pedestrian traffic and roadway users in and out of the city. In addition, interstate highways I-10, I-210 and state highway 38 travel through Redlands providing connectors to a multitude of other cities. The assistance of a STEP grant will allow officers to be deployed for additional traffic safety measures and enforcement. Roadways in these areas are continuing to be improved to relieve congestion and accommodate the increasing volume of travel by roadway users day and night.

3. METHOD OF PROCEDURE

A. Phase 1 - Program Preparation, Training and Implementation (1st Quarter of Grant Year)

- The department should develop operational plans to implement the “best practice” strategies outlined in the objectives section.
- All training should be conducted this quarter.
- All grant-related purchases should be made this quarter.
- In order to develop/maintain the “HOT Sheets,” research will be conducted to identify the “worst-of-the-worst” repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. The HOT Sheets may include the driver’s name, last known address, DOB, description, current license status, and the number of times suspended or revoked for DUI. HOT Sheets should be updated and distributed to traffic and patrol officers at least monthly.
- Implementation of the STEP grant activities will be accomplished by deploying personnel at high collision locations.

B. Phase 2 - Program Operations (Throughout Grant Year)

- The department will work to create media opportunities throughout the grant period to call attention to the innovative program strategies and outcomes.

Media Requirements

- Submit all grant-related activity press releases, media advisories, alerts and general public materials to the OTS Public Information Officer (PIO) at pio@ots.ca.gov, with a copy to your OTS Coordinator.
 - a) If an OTS template-based press release is used, the OTS PIO and Coordinator should be copied when the release is distributed to the press. If an OTS template is not used, or is substantially changed, a draft press release shall be sent to the OTS PIO for approval. Optimum lead time would be 10-20 days prior to the release date to ensure adequate turn-around time.
 - b) Press releases reporting the results of grant activities such as enforcement operations are exempt from the recommended advance approval process, but still should be copied to the OTS PIO and Coordinator when the release is distributed to the press.

c) Activities such as warrant service operations and court stings that could be compromised by advanced publicity are exempt from pre-publicity, but are encouraged to offer embargoed media coverage and to report the results.

- Use the following standard language in all press, media, and printed materials: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 30 days in advance, a short description of any significant grant-related traffic safety event or program so OTS has sufficient notice to arrange for attendance and/or participation in the event.
- Submit a draft or rough-cut of all printed or recorded material (brochures, posters, scripts, artwork, trailer graphics, etc.) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval 14 days prior to the production or duplication.
- Include the OTS logo, space permitting, on grant-funded print materials; consult your OTS Coordinator for specifics.

C. Phase 3 – Data Collection & Reporting (Throughout Grant Year)

- Agencies are required to collect and report quarterly, appropriate data that supports the progress of goals and objectives.
- Statistical data relating to the grant goals and objectives will be collected, analyzed, and incorporated in Quarterly Performance Reports (QPRs). QPRs for the quarter ending September 30 will include year-to-date comparisons of goals and objectives. If required, a separate quarterly data reporting form will be completed each quarter and submitted as part of the QPR.
- Reports will compare actual grant accomplishments with the planned accomplishments. They will include information concerning changes made by the Grant Director in planning and guiding the grant efforts.
- Reports shall be completed and submitted in accordance with OTS requirements as specified in the Grant Program Manual.

4. METHOD OF EVALUATION

Using the data compiled during the grant, the Grant Director will complete the “Final Evaluation” section in the fourth/final Quarterly Performance Report (QPR). The Final Evaluation should provide a brief summary of the grant’s accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

However, failure of the Grantee Agency Official to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the Grantee Agency Official knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The Grant Agency Official shall provide immediate written notice to the department or agency to which this grant agreement is submitted if at any time the Grantee Agency Official learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *grant agreement*, and *voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and coverage sections of 49 CFR Part 29. You may contact the department or agency to which this grant agreement is being submitted for assistance in obtaining a copy of those regulations.
6. The Grantee Agency Official agrees by submitting this grant agreement that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The Grantee Agency Official further agrees by submitting this grant agreement that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
