About Us....

Thank you for your interest in becoming an independent Contract Instructor with the City of Redlands Police Department's Community Services Division. We are excited about the possibility of working together to reach our common goals and to serve our community. The Community Services Division is dedicated to building strong families and resilient youth through the participation in recreational activities and opportunities.

The Redlands Police Department employs 150 officers and civilian members, and operates under the policy of Risk Focused Policing (RFP). Risk Focused Policing is a data and results-driven, community-oriented policing strategy which focuses on those factors in a community which places its youth and their families most at-risk for criminal and other problem behaviors. In addition to finding ways to control crime before it happens, the department offers for community policing stations, a Community Center and two Senior Centers. The Police Department is committed to quality of life issues, with regards to Senior Services and Recreation.

Senior Services

The Senior Transportation program currently provides transportation trips for seniors to medical appointments, pharmacies, and grocery stores. The Never Alone Program calls seniors living alone to assure us of their welfare. Participants receive a daily reassurance telephone call from a pre-screened volunteer. Police Officers are also active in providing education and workshops on senior issues.

Recreation

Recreation is a preventive tool that helps control crime before it occurs by providing constructive activities for young people, especially during the after-school hours from 3 to 6 p.m. The bureau also provides organized youth sports such as basketball, football and baseball for children and teens who might not be able to afford to participate in expensive athletic leagues, especially at the middle-school level where sports programs are limited.

School Resource Officers (SROs), are an integral and effective part of these after school athletics and social events. These programs incorporate these officers as part of the program to teach youth development skills, and athletic involvement that will help develop them for life long learning.

How It Works....

Redlands PD Community Services Division utilizes independent Contract Instructors to provide recreational services to our community. Programs may be designed for preschoolers, school age children, teens, adults, families and seniors.

The process begins with the independent Contract Instructor "*proposing*" a course or activity. There is a form and insurance requirements enclosed in this handbook that you are required to complete. Together, the Recreation Program Coordinator works with the applicant to determine the specific design of a course/activity in regards to suitability, facility availability, fee structure, course time frames, participant maximums or minimums, age ranges, course descriptions, etc.

The proposal is then submitted to the Recreation Advisory Commission by the proposing contactor. The Commission will then review the proposal, assess the "*content*" of the course/activity to determine its potential in meeting the Department's vision and goals. If the Recreation Commission recommends the proposal applicants must be fingerprinted by the Redlands Police Department at 1150 W. Brookside Ave. Mondays & Wednesdays 1:30-4:30 p.m.

After the proposal receives a recommendation from the Recreation Advisory Commission and the fingerprints clear an Independent Contractor Agreement will be written for the class and must be approved by the Redlands City Council.

The current contract specifies a 70/30% contractual split of funds collected, based on resident fees. The contractor receives 70%, and the City retains 30% to cover operating expenses and facility use. Once City Council approves the contract, Contractor shall obtain a Redlands Business license, as a condition of performing the services required hereunder.

Insurance

Contractor shall obtain and maintain during the term of this Agreement, all insurance and submit to the City Certificates of Insurance in force.

Contractor shall provide:

Worker's Compensation and Employer's Liability insurance in the amount that meets the statutory requirement shall be in force with an insurance carrier acceptable to the City.

Comprehensive Commercial General Liability insurance in the amount of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate shall be in force with an insurance carrier acceptable to the City and name the City as an additional insured.

Professional Liability insurance in the amount of one million dollars (\$1,000,000) per claims made and two million dollars (\$2,000,000) aggregate shall be in force with an insurance carrier acceptable to the City.

Commercial Automobile Liability insurance with minimum limits of one million dollars (\$1,000,000) per occurrence, combined single limit for bodily injury liability and property damage liability shall be in force and name the City as an additional insured. This coverage shall include all owned vehicles, hired and non-owned vehicles, and employee non-ownership vehicles.

City shall be named as an additional insured on all policies and such insurance shall be primary and non-contributing to any insurance or self-insurance maintained by City.

If Contractor can't provide insurance coverage for the program contractor shall then be responsible for paying all costs associated with insurance coverage for participants as specified in the City's contract with Southern California Municipal Athletic Federation for recreation programs.

Policies & Procedures....

The RPD Community Services Division also holds Contract Instructors responsible for the following policies and procedures:

- Contract Instructor's Relationship with Participants ~ The Contract Instructor must not have contact with a single participant unobservable by other staff, parents or participants at any time. Parents should be invited and encouraged to visit program sites at any time on a drop-in basis and do not need to ask permission to do so.
- Safety of Participants ~ The Contract Instructor's primary responsibility is to ensure the safety of participants involved with your activity. Visually inspect the programs and facilities you are working in. If any aspect of the area appears unsafe, it is your responsibility to notify the Recreation Supervisor and to take actions that will ensure participant safety.
- First Aid Provision ~ It is the Contract Instructor's responsibility to know where the first aid kit is located for all facilities in which they provide services. For minor first aid (band-aids, etc.) the first aid kit will be suffice. For serious accidents, DO NOT MOVE the injured participant, then call 9-1-1. If a child is involved, notify the parent/guardian immediately.

Discrimination and harassment can be defined as any behavior that is disrespectful and causes discomfort to another person, be it physical, verbal, visual, or sexual. Contract Instructors are responsible for their own actions/conduct, and must never engage in discrimination and harassment.
- Mail Box~ Each Contract Instructor will be provided a mail box at the Redlands Community Center. It is the Contract Instructors responsibility to check their mail box each day of their class. It is also the Contractor's responsibility to inform staff of any changes in contact and class information in writing.
