Upon receipt of a request by Subrecipient, City's City Manager, or his or her authorized designee, may amend the scope of the Activities by written agreement with Subrecipient, provided that such amendment shall not increase Subrecipient's compensation or violate Federal regulations.

E. National Objectives. All Activities funded with CDBG funds must meet one of the CDBG program's National Objectives: benefit low- and moderate-income persons; aid in the prevention or elimination of slums or blight; or meet community development needs having a particular urgency, as defined in 24 CFR 570.208. Subrecipient certifies that the Activities carried out under this Agreement will meet the National Objective of benefiting Low- to Moderate Income Clientele (LMC) 570.208(a) (2) (i) (B)

City shall process the invoices for payment in accordance with its usual manner. Payment will generally be made within thirty (30) calendar days. Should City

determine that Subrecipient has not performed its obligations as stated in this Agreement in a satisfactory manner, or if City determines that insufficient supporting information has been submitted, City shall notify Subrecipient in writing within 15 days of receipt of the reimbursement invoice of its determination specifying in detail the objections which City has to Subrecipient's performance or expenses and the additional information needed to process the invoice, as applicable. Failure of Subrecipient to respond in writing within 30 days of the date of notice from City shall render the reimbursement request null and void.

E. Changes in Grant Allocation. City reserves the right to reduce the grant allocation to Subrecipient when City's fiscal monitoring indicates that Subrecipient's rate of expenditures will result in unspent funds at the end of the Program year. Changes in the grant allocation may be made after consultation with Subrecipient.

Section 3. Financial Management.

A. Accounting Standards. Subrecipient shall comply with 24 CFR 84.21-28 and adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

D. Program Income. Subrecipient shall report quarterly all program income (as defined at 24 CFR 570.500(a)) generated by the Activities carried out with CDBG funds made available under this Agreement. The use of Program income by Subrecipient shall comply with the requirements set forth in 24 CFR 570.504. By way of further limitation, Subrecipient may use such income during the contract period for Activities permitted under this Agreement and shall reduce requests for additional funds by the amount of any such Program income balances on hand. All unexpended Program income shall be returned to City at the completion of this Agreement. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not Program income and shall be remitted promptly to City.

Section 4. Documentation and Record Keeping.

Activities during this close-out period shall include, but are not limited to: making final payments, disposing of Program assets (including the return of all unused materials, equipment, unspent cash advances, Program income balances, and accounts receivable to City), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that Subrecipient has control over CDBG funds, including Program income.

Subrecipient hereby agrees to have an annual agency audit

Section 5. Insurance. Subrecipient shall not commence any Program Activities under this Agreement until it has obtained all insurance required hereunder with a company or companies acceptable to City, nor allow any of its subcontractors to commence any Activities for the Program until all insurance required of Subrecipient and its subcontractor have been obtained. Subrecipient and its subcontractors shall take out and maintain at all times during the term of this Agreement the following policies of insurance:

City shall be named as an additional insured and a certificate of insurance shall be delivered to City prior to commencement of the Program.
